ALL WORN OUT?

So Was Mrs. Miles Who Tells Her Experience. Are you tired all the time; worn-out night and day? Does your back ache as if it would break? Do you suffer dizziness, headaches, rheumatic twinges or distressing urinary disorders? You have good cause, then, to be alarmed about your kidneys. Do as many of your town folk recommend. Use Doan's Pills—a stimulant diuretic to the kidneys. This Lowville case is convincing: Mrs. Louis Miles, 145 Shady Ave., says: "A cold settled in my kidneys and disordered them. Daily, bearing down pains in my back made work a task. When I stooped, severe pains darted across my kidneys. Headaches were both mine and my kidneys acted too frequently. I was a tired, worn-out woman. I bought Doan's Pills, at Shepard & Moore's Drug Store and after using them, I was cured."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Miles had. Foster-Milburn Co., Buffalo, N. Y.—adv.

The man who can find time to complain about how busy he is ought to be given more work to do.
